Attendance Management Procedure - Stepped Attendance Response (STAR)

We recognise the importance of regular attendance to help our students achieve their educational potential. Our attendance procedures ensure students are accounted for during school hours. This allows school staff to identify and respond to student attendance concerns. We have a stepped attendance response to ensure we are able to identify students and offer appropriate interventions at the thresholds to support students to return to regular attendance. We have annual targets for student attendance and work with students, parents and caregivers, and external agencies, where necessary to improve our levels of student attendance.

Parent/Whānau Responsibilities

- ensure students attend every day they are able
 - reinforce good attendance habits
 - open communication with the school
 - follow the school's attendance management plan and associated attendance policies and procedures
-

School Responsibilities

- clear communication to parents and students on attendance expectations on enrolment, at the start of the year and each term
 - communicate to parents what steps the school will take if the student is absent from school monitor student attendance
 - provide students with regular updates on their own attendance
 - report regularly to parents on attendance of their child
-

School Procedures

At **Pine Hill School**, we follow the procedures below to support and manage student attendance. These have been developed in response to:

- Our attendance data over the past two years
- Ministry of Education: Every Day Matters reporting
- Stepped Attendance Response (STAR) guidance
- Schoolwide attendance self-review using the Ministry of Education Reference Guide

The principal will appoint staff and delegate duties, so as to manage the recording of the electronic student attendance register and the follow-up procedures for non-attending students.

Non-teaching staff with duties associated with our attendance system will support teachers to maintain accurate up-to-date attendance information.

Classroom/relief teachers are responsible for recording student attendance to their class each period/half day basis.

Class teachers are responsible for maintaining accurate and up-to-date records and supporting the attendance systems. They will also monitor and follow-up on lateness and other attendance issues.

Classroom teachers are responsible for monitoring student attendance ensuring that parents are informed of attendance concerns. Senior leadership will be kept informed of serious student absence situations.

Parents will receive student attendance data via weekly emails/parent portal/termly updates as appropriate. Parents can also download the Edge App to monitor their child's attendance.

Students will be identified at the thresholds. Follow-up response actions will be tailored to the reasons for absence. Patterns of attendance and specific interventions being used will be evaluated by the pastoral team/Senior Leadership Team termly to review outcomes and effectiveness of these interventions. Outside agencies will be used as appropriate to support attendance.

Below is the Stepped Attendance Response Activities for our school. Any action taken can be considered at any threshold. All actions taken to respond to absences will be recorded in Edge.

If you have any questions about our Stepped Attendance Response or procedures, please contact **Melissa Ward**, principal.
